

"Do I Wanna Know?" Arctic Monkeys

Have you got colour in your cheeks?
Do you ever get that fear that you can't **shift**
The type that sticks around like something in your teeth?
Are there some **aces up your sleeve**?
Have you no idea that **you're in deep**?
I dreamt about you nearly every night this week
How many secrets can you keep?
'Cause **there's this tune I found** that makes me think of you somehow and I play it on repeat
Until I fall asleep
Spilling drinks on **my settee**

(Do I wanna know)
If this feeling flows both ways?
(Sad to see you go)
Was sort of hoping that you'd stay
(Baby we both know)
That the nights were mainly made for saying things that you can't say tomorrow day

Crawling back to you

Ever thought of calling when **you've had a few**?
'Cause I always do
Maybe I'm too busy being yours **to fall for somebody new**
Now **I've thought it through**

Crawling back to you

So **have you got the guts**?
Been wondering if your heart's still open and if so I wanna know what time it shuts
Simmer down and pucker up
I'm sorry to interrupt. It's just I'm constantly **on the cusp of** trying to kiss you
I don't know if you feel the same as I do
But we could be together if you wanted to

(Do I wanna know?)
If this feeling flows both ways?
(Sad to see you go)
Was sort of hoping that you'd stay
(Baby we both know)
That the nights were mainly made for saying things that you can't say tomorrow day
